Hi, David -- Ayn may be delayed in getting to the office today because of the snow storm here. I'm working from home, so am forwarding our comments in case Ayn can't get them to you right away.

Thanks!

Attached below are two draft responses to congressional letters. The first one is in response to the Vitter/Inhofe letter and the second response is in response to a letter we received from 21 democratic congressmen. I have also included the incoming letters below.

The drafts below represent our first attempt at a rough draft for each and we appreciate receiving your comments by February 20th. There is some urgency in getting these responses finalized and delivered to the Hill.

Thank you,
